

Patient Complaints Procedure

It is our aim to always have satisfied patients, to meet your expectations of care and service and to resolve any complaints as efficiently, effectively and politely as possible. We take complaints very seriously, investigating them in a full and fair way and take great care to protect your confidentiality. We learn from complaints to improve our care and service. We will never discriminate against patients who have made a complaint and we will be happy to answer any questions you may have about this procedure.

If you are not entirely satisfied with any aspect of our care or service, please let us know as soon as possible to allow us to address your concerns promptly. If you do not feel you can raise a complaint about your NHS service directly with us, you can address your complaint directly to NHS England at england.contactus@nhs.net with 'For the attention of the complaints team' in the subject line.

Daljit Jheeta is the Complaints Manager and Simran Saghal is the Practice Manager, they will be your personal contact to assist you with any complaints.

You can send your complaints to 32 Highstreet, High Wycombe, HP11 2AG, call us on 01494 528700 or email the Complaints Manager & Practice Manager on info@jddentalcare.co.uk.

Once we have received your complaint in writing either the Complaints Manager or the Practice Manager will send you a acknowledgment email within 3 working days of receiving the email. They will then have 10 working days to start investigating and respond to your complaint.

We will keep comprehensive and confidential records of your complaint, which will be stored securely and only be accessible by those who need to know about your complaint. If the complaint investigation takes longer than anticipated, the Complaints Manager or Practice Manager will keep you informed of the reason for any delays, the progress of the investigation and the proposed date it will be completed.

When the investigation has been completed, you will be informed of its outcome in writing. We will make our response clear, addressing each of your concerns as best as we can. These solutions could include replacing treatment, refunding fees paid, referring you for specialist treatments or other solutions that meet your needs and resolve the complaint.

We regularly analyse patient complaints to learn from them and to improve our services. That's why we always welcome your feedback, comments, suggestions and complaints. If you are dissatisfied with our response to a complaint you can take the matter further, please see the contacts below.

If you are dissatisfied with our response to a complaint you can contact the GDC private dental complaints service within 12 months of the treatment or within 12 months of becoming aware of the issue. Please see the contact details below.
